

PAID ADS

Your creative is the targeting now.

Meta’s ad system changed Oct 28. Here’s what to do on your next release.

STRAIGHT FROM META

“The importance of targeting is diminishing over time.”

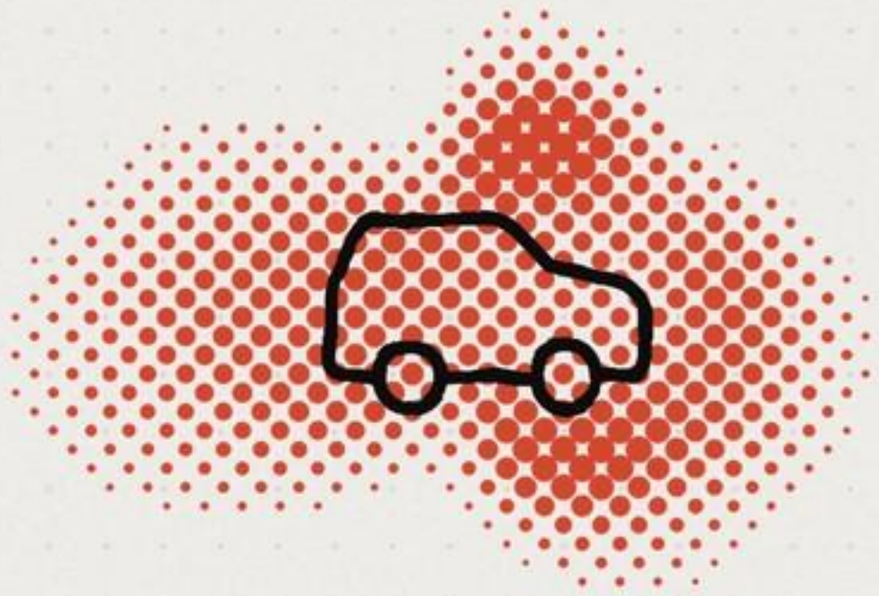

Matt Steiner, Meta VP, to AdExchanger, Oct 2026

CREATIVE

An angle isn't enough. Show the moment.

Angle: breakup song

Show: the 2am drive after the last text

WATCH OUT

edits of one clip = 1 idea to Meta.

Meta treats ads that look alike as one creative that learns together.

HOT TAKE

“Out now” is music’s buy-one-get-one.

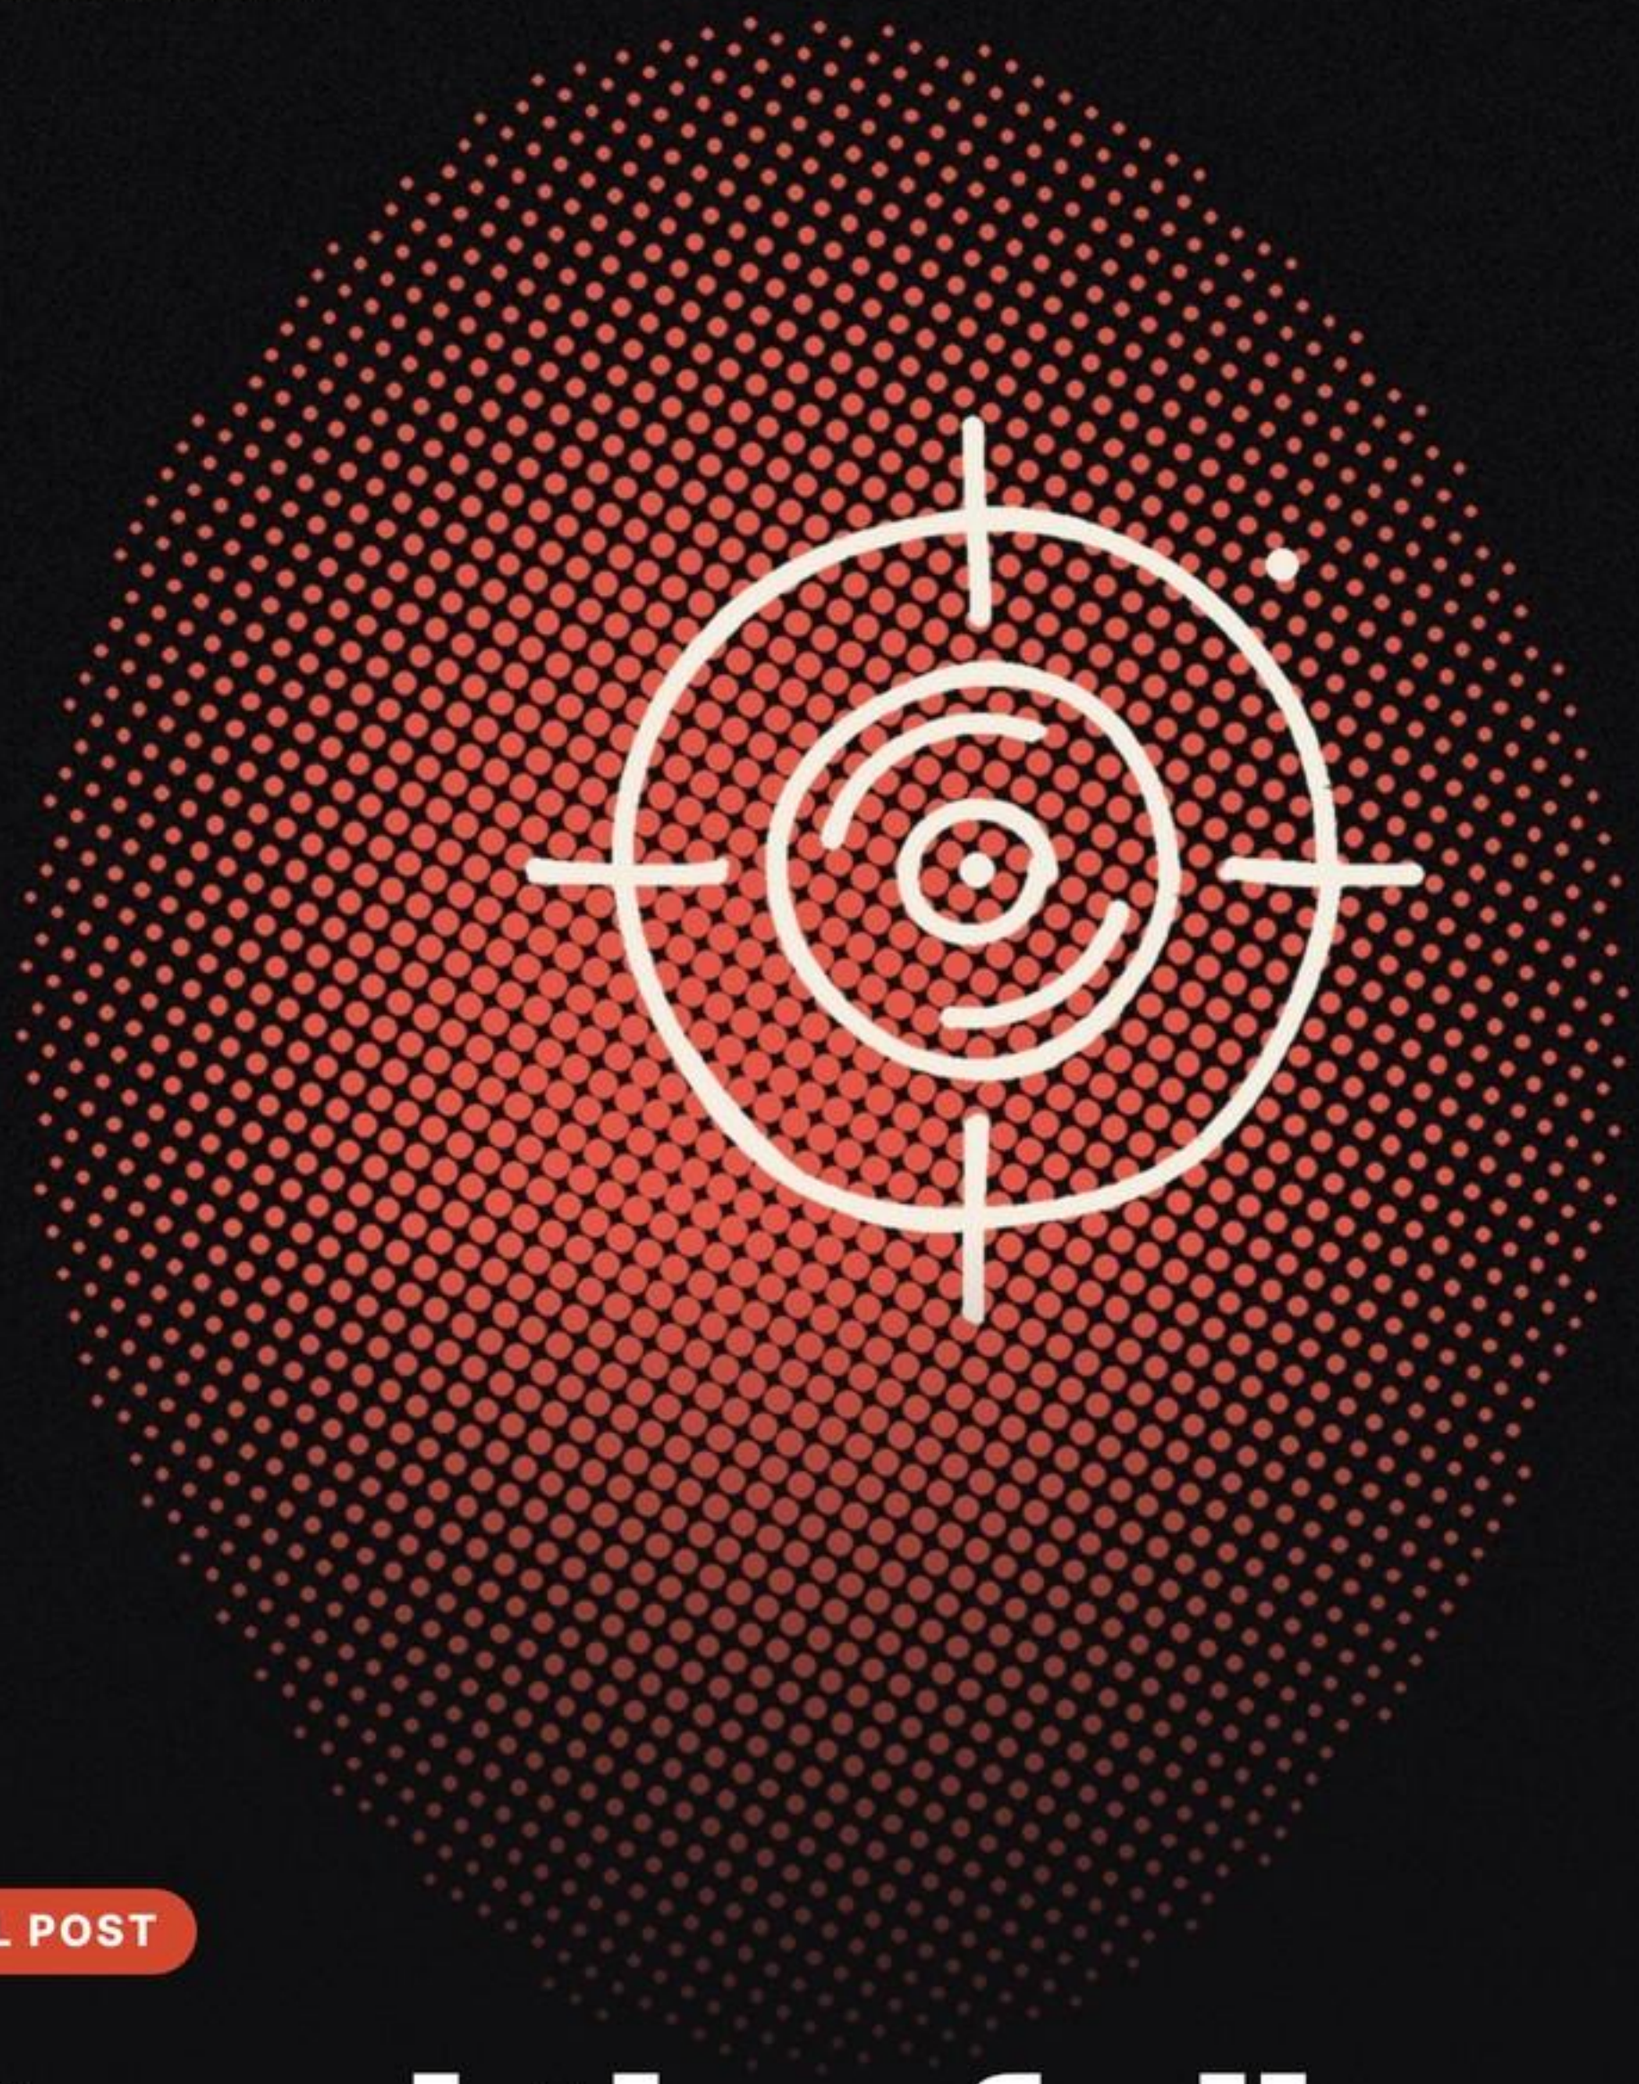

Give people a reason to press play.

SAVE THIS

Before your next release

1. 4 real angles, each a different reason to listen
2. Every ad shows a moment, not just the song
3. The new song gets its own ad set
4. A landing page that loads fast and matches the ad
5. A Spotify for Artists baseline saved before day one
